

EAS 943 USER'S GUIDE ADDENDUM
(For working with EAS 911 Software V.842)

P/N 5004-0943 REV. B
Addendum 1 Rev. B
Jan 2003

This addendum to the User's Guide contains important information describing changes of the EAS 943 operation when working with EAS 911 Software V.842. The items listed below append or replace the corresponding text in the EAS 943 User's Guide:

1. All Sections: Event codes and event code numbers had been amended to the table 5.1 in Section 5.5. Refer to the Table 5.1 for the new event codes and numbers when needed.
2. Section 5.5: Replaced with the new Table 5.1 shown below.

Table 5.1 EAS 943 Event Codes
